

JOURNEY OF SUCCESS

2006-2010

Jan Shikshan Sansthan, Bhubaneswar

Sponsored by: Ministry of Human Resource Development,
Dept. of School Education & Literacy,
Government of India

From the Director's Pen...

The Jan Shikshan Sansthan, Bhubaneswar was established in the year 2000. Right from its inception the Jan Shikshan Sansthan, Bhubaneswar has adopted a holistic and integrated approach in implementing all its programmes with voluntary spirit. Now Jan Shikshan Sansthan, Bhubaneswar is ten years old. In the mean time two Directors had successfully completed their terms. I have joined as Director on 14th October, 2008, the Board of Management was re-constituted and S.J. Ramanath Mahanti, IAS (Retd.) was nominated as the Chairman of Jan Shikshan Sansthan, Bhubaneswar.

From the day of starting Jan Shikshan Sansthan, Bhubaneswar is working successfully in all the ten Blocks of Khurda District. To-day Jan Shikshan Sansthan, Bhubaneswar is in a recognizable and commendable position in Government, Semi Government, Private and NGO sectors.

This could be possible only by the convergence with Government Department, Local Self Government, State Employment Mission, Govt. of Orissa and many more private sector organizations.

This could also be achieved by the hard work and continuous efforts of the staffs of Jan Shikshan Sansthan, Bhubaneswar.

We are looking forward for many more such projects along with Jan Shikshan Sansthan training programmes and activities.

This in return would raise the name and fame of Jan Shikshan Sansthan, Bhubaneswar in Orissa as well as in the Country.

Amiya Kumar Mohanty
Director

JAN SHIKSHAN SANSTHAN, BHUBANESWAR

The developing nations designated as “The Third World” looks for available strategy to achieve sustainable Rural and Urban development. Poverty remains as one of the paramount obstacles on the path of socio-economic progress. Poverty encompasses not only low income and consumption but also low achievement in literacy, health, nutrition & other areas of Human development such as non-access to safe water, homelessness or poor housing, lack of participation in decision making and personal insecurity. Due to lack of adequate Employment opportunities, Skilled manpower, low income, inadequate educational facilities, the lives of the poor deserve utmost attention Jan Shikshan Sansthan Bhubaneswar continues to pursue the lofty goals of the National Literacy Mission, that of inspiring the excellence in Vocational Education through its various programmes, trainings, Life Enrichment Education (LEE) and activities. JAN SHIKSHAN SANSTHAN, BHUBANESWAR has been designing technical training programme considering the economically challenged backgrounds of the people. Jan Shikshan Sansthan Bhubaneswar acts as a link between the continuing education and vocational training. We look after the needs of not only the labourers and the workers but also the neo-literates, semi literates and people belonging to the Weaker section in the society, Schedule Caste, Schedule Tribe, Women etc. We have distinguished professionals who could achieve the proposed target.

Jan Shikshan Sansthan, Bhubaneswar with its persistent efforts towards building self confidence, mutual cooperation, self help and empowerment of the minority class are now showing encouraging results.

Started on 8th may 2000, Jan Shikshan Sansthan Bhubaneswar has been continuously working hard to provide means of income generation for the underprivileged. With the collaborating organizations like BHUBANESWAR MUNICIPAL CORPORATION (BMC), Lutheran World Services India (LWSI), Lepra society India, State Employment Mission, State Social Welfare Board and many more, JSS-Bhubaneswar has been imparting Vocational trainings, Skill up gradation trainings throughout Khurda District. Life Enrichment programs (LEE) are also conducted which again helps in developing the self confidence, communication skills, and interpersonal relationships of the people. The area of operation of Jan Shikshan Sansthan, Bhubaneswar and the District profile is given below.

Success stories (2006-2010) :

Jan Shikshan Sansthan, Bhubaneswar with its persistent efforts towards building self confidence, mutual cooperation, self help and empowerment of the minority class are now showing encouraging results.

Started on 8th May, 2000, Jan Shikshan Sansthan, Bhubaneswar has been continuously working hard to provide means of income generation for the underprivileged. With the collaborating organizations like- Bhubaneswar Municipal Corporation (BMC), Lutheran World Services India (LWSI), Lepira Society India, State Employment Mission, State Social Welfare Board and many more. JSS, Bhubaneswar has been imparting vocational trainings throughout Khurda District. Life Enrichment Education (LEE) is also conducted which again helps in developing the self confidence, communication skills and interpersonal relationships of the people.

Riding upon the popularity of the training programmes the number of beneficiaries is increasing every year. Continuing its sterling services for half a decade and dissemination of knowledge the Jan Shikshan Sansthan, Bhubaneswar has brought out several success stories in its credit. Some of the success stories are mentioned below.

1) **Where there is a will, there is a way:**

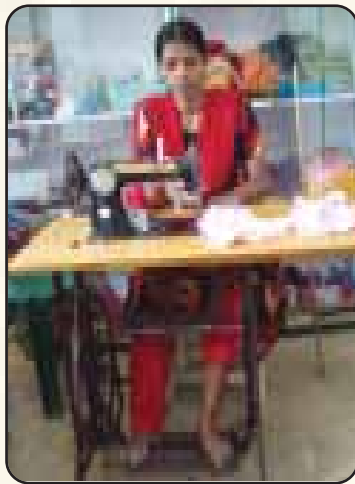

Lilabati with a stick in hand, proved the society and herself, that she is no less from other general people. She can earn a good livelihood for herself and her family. She can give her best to improve her economical and social status.

Lilabati Baral, 32 years, Handicap from birth faced a lot of challenges of life, but she could manage to pursue the basic education. With a poor family background, she was unable to complete the school education and got married to Santosh Baral at a tender age. Physically handicapped and emotionally weak Lilabati always remained distorted and away from the society, unable to do any work that a normal person does, she always cursed herself for coming to this World.

At last she undertook Tailoring and Applique Training programme at Balipatna, Khurda District, conducted by JSS, Bhubaneswar. After completing the training she started taking orders of blouses and petticoats from her neighbours. Within a few months she bought a sewing machine on loan. Today she owns a shop with five Sewing Machines and takes order of stitching Blouses, Dresses, and Petticoats etc. She earns nearly Rs.6,000/- to Rs.7,000/- per month. With a developed self confidence, Lilabati feels JSS, Bhubaneswar has given her a reason to survive.

2) **JSS Training- A Ray of Hope:**

JSS, Bhubaneswar training programme have changed the life of many by its self employment training programmes and LEE programmes, proved the example of Pinky Pradhan, age 22, the eldest daughter of Debendra Pradhan of Badagada village, Bhubaneswar. Pinky, who studied upto class 5th due to the poor economic condition of her father, was one of the trainees in the 6 months Cutting and Dress Making course conducted by JSS, Bhubaneswar at Badagada village in August, 2008. After the completion of the training Pinky was engaged as an Instructor in the SINGER Tailoring Institute, Bhubaneswar. Today she is earning Rs. 3,700/- per month. Besides that she also receives orders from different customers and earns an additional income of Rs. 2,000/- per month.

3) **Smiling Rekha:**

Rekha Bhoi, age 42 lost her parent at an early age and could not even complete her basic education, she had to look after her two sisters and a younger brother. Moreover, she belonged to Schedule Tribe and thus was not accepted by the society. Her self confidence was very low and she was unable to do any work on her own.

At last she undertook the Incense Stick Making training at Kapil Prasad, Bhubaneswar, conducted by JSS, Bhubaneswar. After completing the training, she formed a group of housewife in her village and taught them preparing Incense Stick.

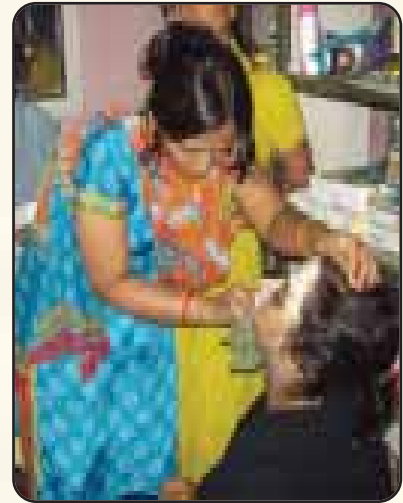

Presently they have a group named Banadurga SHG and produce Incense Sticks of the different varieties and sell them in the market. In this process, she has provided employment to nine more women. Today she is earning an average of Rs. 4,000/- per month. She is leading a smooth life in her family.

4) **JSS lead Mobile Beauty Parlour:**

JSS Bhubaneswar keeps on providing the neo-literates with the required training for a better livelihood. For instance Pratima Sahoo, age 22 lost her father even before she completed her formal education. She had no other support, so she got married to Bhimsen Sahoo, an Auto Driver. However leading a normal life was very difficult for both of them.

She approached Jan Shikshan Sansthan, Bhubaneswar for training on Beauty Culture & Health Care for 6 months. After completing the training programme she started serving people with Beauty Parlour at their respective houses. She moves from house to house as she receives the call. Now she earns Rs. 5,000/- to 6,000/- per month by communicating with the customers. During the marriage season, she earns nearly Rs. 8,000/- to Rs. 9,000/- per month. Due to her newly developed Skills she is recognized by many. She feels that training in Jan Shikshan Sansthan, Bhubaneswar not only helped her economically but also improved her social status in the society. She has also purchased a Two Wheeler for easy conveyance.

5) **Manju- A step towards Brighter Life:**

Manju Bhoi, 29 years was leading a very miserable life with not much to feed her two little kids. With low self confidence and in an extreme poor condition, she was unable to face the day to day problems.

Her husband Anadi Bhoi of Ghatikia village, Bhubaneswar Block, Khurdha District is a daily wage earner. Moreover she belongs to Schedule Caste and could not pursue any education due to the poor economic condition of her father. These are again some additions to her low confidence and depression.

Meanwhile, she heard about the training programme of JSS, Bhubaneswar and undertook Mushroom Cultivation course at JSS, Bhubaneswar in the year 2008-09. With this training she ventured to start a Mushroom Farm of her own with thirty to thirty five beds of Mushroom and earns Rs. 250/- per day.

The vocational training not only enabled her to earn a decent living for her family, but also enabled her to face the socio-economic challenges of life.

6) **A new World for Kabi, he says:**

Kabi Maharana, age 29 of Nirakarpur, Tangi Block, Khurda District always looked at the world as if not meant for him. Physically challenged with his Left leg he was unable to do any work individually. He was always dependent on somebody to perform his daily activities. Moreover poor Family background never gave him the opportunity to go to school. "He was filled with frustration for which he always responded negatively, remained irritated, spoke harsh words.", said his family members.

His Brother Rabi Maharana came across a Phenyl & Liquid Soap Training Programme conducted by JSS, Bhubaneswar at Nirakarpur. He insisted Kabi Maharana to get himself enrolled in the Phenyl & Liquid Soap preparation training programme. After completing the training programme, Kabi Maharana found himself in a world, with lot of work for himself. He was very happy for the training he received, he then appointed three persons for his assistance and started preparing Phenyl & Liquid Soap. The finished products were marketed by him in the market.

He now earns Rs4,500/- to Rs.5,000/- a month. He says "His world has changed now, it is completely a new one. I have so many work and responsibilities to perform." JSS, Bhubaneswar has taught him to value himself and learn the importance of life.

7) **JSS Training –A support for physically Challenged:**

Sarat Chandra Behera lost his father even before he completed his basic education. He had to support his one sister and brother at a tender age. Sarat was only 7th pass, physically challenged, his confidence was low and he was unable to do any work on his own. He had heard about the JSS, Bhubaneswar training programmes from some of his neighbours but never enquired about so.

At last he decided to enroll into Carpentry Training programme held at Nageswar Tangi, Bhubaneswar block, Khurda District. He undertook a service at a carpentry shop and soon got experienced and decided to open a shop of his own. This fetches him an income of Rs.7,000/- to Rs.8,000/- a month. The Local people prefer to place order for different furniture required to Sri Sarat. The vocational training not only enabled him to face challenges, but also enabled him to earn a decent living for himself.

8) **No man's Land turned beautiful says Siva:**

Siva Prasad Baliarsingh, aged 35 years is the son of a farmer. He is presently working at Paradeep Port Trust as Assistant Electrician in the workshop division. He still remembers those days of pain and difficulty when he was doing nothing. He said "he was so confused that what he should do in his life to change the condition of his family". He was very depressed in those days. But Jan Shikshan Sansthan, Bhubaneswar gave him a ray of hope to bring a change in his life by imparting him the Electrical House Wiring training programme at Nirakarpur. Siva Prasad had just completed his basic education and came to know about Jan Shikshan Sansthan through a motivational meeting held at his village by Jan Shikshan Sansthan, Bhubaneswar in the year 2008-09.

Now, after successfully completing the course he earns Rs. 7,000/- (Rupees seven thousand) only per month and is leading a happy life.

9) **Jayanta- With a new aspiration:**

Jayanta Ku. Sarangi, aged 21 years of Nirakarpur, Tangi Block, Khurda District is aspiring high for his future today, after he completed an Electrical House Wiring training programme at Jan Shikshan Sansthan, Bhubaneswar. Jayanta is the son of a farmer. He was forced to follow his fathers' profession due to the poor financial condition of the family. He thus could not pursue higher education. He wanted to do something which would earn more money to him and his family. He remained worried and always had an ill health.

Meanwhile, he came across the motivational meetings of Jan Shikshan Sansthan, Bhubaneswar held in his village. He came to know more about the various trades imparted and its employment opportunities. He then decided to join Electrical House Wiring training programme of Jan Shikshan Sansthan, Bhubaneswar held at his village in the year 2008-09.

Today, he is working as a Junior Assistant at CESU, Bhubaneswar. He earns Rs. 7,000/- (Rupees seven thousand) only per month.

10) **Follow your interest says Deepak:**

Deepak Dalai, aged 28 years of Nirakarpur, Tangi Block, Khurda District is the owner of a Garage at Nirakarpur. He belonged to a Agricultural family but had no interest in it.

He did not get a chance to study in his life due to poor socio-economic condition. He was always interested in Technical things and was always keen to know about the mechanism of anything he came across like a Toy, a Cycle, and Iron etc. He always kept himself busy in opening the parts and understanding mechanism of different things. He passed his days moving here and there in his

village and was not doing any work as he did not find any work of his interest. His friend came across a Two Wheeler Repairing training programme conducted by Jan Shikshan Sansthan, Bhubaneswar at Nirakarpur in the year 2009-10. He insisted Deepak Dalai to get himself enrolled in the training programme.

After completion of the programme, Deepak today finds everything to be very interesting. He feels he has a lot of work for himself and of his interest. Now, he is a Garage Mechanic of his own Garage and earns more than Rs. 5,000/- (Rupees five thousand) only per month.

11) **Employment opportunity by Jan Shikshan Sansthan:**

Sujata Biswal, aged 27 daughter of Shri Nibas Biswal has completed her Basic Education and was a trainee in the 6 months Beauty Culture & Health Care training programme conducted by Jan Shikshan Sansthan, Bhubaneswar at Laxmisagar, Bhubaneswar in the year 2009-10.

After completion of the training programme she is employed in a Beauty Parlour at Bhubaneswar. Today she is earning nearly Rs. 6,000/- only per month.

Sujata, always appraises Jan Shikshan Sansthan, Bhubaneswar for the change brought to her life by its Self-employment training programme and Life Enrichment Education (LEE) programmes.

12) **Pride of Jan Shikshan Sansthan, Bhubaneswar- Smrutibala Mohanty:**

Smrutibala Mohanty, aged 27 is presently working as the Resource Person for Jan Shikshan Sansthan, Bhubaneswar after completion of the Beauty Culture & Health Care training programme at Jan Shikshan Sansthan, Bhubaneswar in the year 2009-10. Smrutibala Mohanty daughter of Akhila Pradhan always had a low confidence on herself, as she is a neo-literate. She always believed that she cannot make a career for herself, as she does not have adequate qualification.

She thought her future would be a simple house-wife taking care of the family, children and doing all household activities. But, she proved her own assumption wrong before marriage.

Today, Smrutibala Mohanty is proud of herself as she could hear the voice of her heart and thus achieved a position for herself in the society.
